QUALIFIED PROFESSIONAL TEACHERS

It is no coincidence that we have been at the forefront of providing language opportunities for the last 30 years. We strongly believe that our teachers are our main asset. It goes without saying that all our teachers are qualified professionals. They are all highly motivated and committed to providing the highest standard of language teaching. All our teachers follow a course structure which takes into account the needs of all our students.

Sprachcaffe Languages PLUS

Learning with all your senses!

Many people who would like to learn a language believe - because of their experiences at school - that learning and having fun are mutually exclusive. Some believe, in a sense, that you have to suffer, otherwise you will not get the results that you would like to achieve. They are reminded of what learning grammar and vocabulary was like in the past. Even those experiences reinforce that learning a language inevitably involves a degree of pain and effort. Have your own experiences of learning made you afraid of failure, afraid of the teacher, worried about making mistakes or making a fool of yourself?

At Sprachcaffe Languages PLUS you will experience a different way of learning. You will have fun and achieve success without losing sight of your serious goals. You will study in a relaxed way, one which is conducive to learning and communicating without fear of making mistakes, literally like having a discussion in a "caffé linguistico". And this is where the name of the Sprachcaffe institute, which is a play on words, comes in. 'Sprach' implies language and communication and 'caffé' refers to the atmosphere we aim to create in the classroom.

Sprachcaffe Languages PLUS only teaches a language in a country in which it is spoken. That makes the country, city, and its people an important part of the concept. Learning with all the senses makes all the difference!

As a result of all my visits to Sprachcaffe Languages PLUS schools, I have come to the conclusion that all the above mentioned features and qualities are in evidence.

Dr. Jürgen Beneke
Prof. Dr. Jürgen Beneke

Professor Jürgen Beneke, PhD, teaches Applied Linguistics at the University of Hildesheim (Germany). His research interests are languages for professional purposes, foreign language didactics and inter-cultural communication. He has been an adviser to many European companies and the Federal Government.

STEPS TO SUCCESS: ANALYSIS OF YOUR CURRENT LANGUAGE ABILITY

On your first day you will take a language assessment test covering grammar, as well as, vocabulary. This will ensure that you are assigned to a class with students of the same level. The grid below proposes the length of time it should take to reach your desired target. Please note that this table is based on an intensive course of 30 lessons per week (1 lesson = 45 minutes). The recommended duration to reach your goals will also vary according to individual skill, age and prior language exposure, amongst other factors.

YOUR GOALS

- A2- PARTICIPATING IN CONVERSATIONS:** You aim to understand the able to understand and respond to short, simple questions and to compose simple texts.

The accommodations, found near the city-centre, are perfectly positioned with shopping, leisure, nightlife facilities, as well as the school, all within a five to ten-minute walking radius. The sea, never far away in St. Paul's Bay, can be reached by foot in one to two minutes. FRENCH IN PARIS

SCHOOL INFORMATION

Sprachcaffe Languages PLUS Paris was opened in 1986 as a private institute accredited by the Rectorat of Paris and the ministry of Labour, and is well known for its methodology based on the pedagogical project proper to the French. It is located in downtown Paris, the so-called Cours Rougemont, and lies right in the middle of the historical, cultural, artistic and economic centre. The nearest underground station is called "Grands Boulevards", it is the 9th arrondissement. The school is within walking distance to museums and restaurants, as well as, an endless number of little boutiques and bars.

» A city where one stops breathing; almost too attractive to be real. It bears the ultimate truth that practically everybody loses his heart in Paris; not necessarily to a man or a woman – but definitely to this gorgeous place which claims to be the City of love. «

SPANISH IN MADRID

SCHOOL INFORMATION

Our school is located in a beautiful turn-of-the century "listed" building. It is near Puerta Del Sol, known as the "Kilometer Zero" of Spain. The main part of the school is on the top floor and offers an excellent view. From here you can watch the comings and goings of the Madrileños, but still have the necessary tranquility required for studying. A few minutes walk will lead you to the steps of the Royal Palace and the "El Prado" museum, a testament to the school's unique and central location.

» Madrid, the heart and soul of Spain. This is the vivacious capital in the centre of the country: you can find a great mixture of various elements here; music, culture, fashion, museums, impulses all over the place. «

GERMAN IN FRANKFURT

» Frankfurt stands on the banks of the River Main and is the centre of Europe's economy and currency. «

SCHOOL INFORMATION

Sprachcaffe Languages PLUS, our school and world-wide headoffice, is located in a stylish and cosy area offering great shopping opportunities in fancy boutiques, smart cafes, and cool bars. The school has a café bar and a terrace where students can relax between lessons.

Cross the historical bridge "Eiserner Steg" and in a few minutes you will arrive at the heart of the city. There you will find the Römer, the historical square, and across the street is the Paulskirche, the cradle of German democracy. All this in the middle of Frankfurt's skyscrapers and bank buildings. All of Frankfurt's museums are literally a two-minute walk away from the school. The museums look onto the Main river and are popular places to sit and chat on a sunny day.

BOOKING CONDITIONS & REGISTRATION

1. Enrolment: Fill in the application form and post or fax it to the address mentioned at the back of the brochure. A deposit of 20% of the total amount is due at the time of registration. With your application you commit yourself to the services requested and booking conditions. After having received your application and deposit we will send the confirmation of enrolment and the invoice. The welcome pack with extra information and the address of your accommodation will be sent after you have settled the remaining balance. The invoice must be paid in full four weeks before arrival.

2. Rebooking: Changing a booking (e.g. arrival date, accommodation, etc.) up to 31 days before departure we will incur a fee of 50 € / 40 GBP / 65 \$ or equivalent. Afterwards we will do our utmost, but cannot guarantee the fulfilment of the request made since extra costs may incur. In that case, the rebooking charge may exceed 50 € / 40 GBP / 65 \$.

3. Cancellation: You may cancel your enrolment at any time prior to the commencement of your course. In the USA we will refund all funds, save for any non-refundable fees; in all other locations, the following fees will apply:

- 30 days or more before course commencement: 10% of total fees, max. 150 € / 200 \$ or equivalent.
- between 15 and 29 days before commencement: 25% of total fees, max. 300 € / 400 \$ or equivalent.
- between 1 and 14 days before commencement: 50% of total fees, max. 600 € / 800 \$ or equivalent.

Thereafter, 90% of the total fee is required, max. 1000 € / 1250 \$. If you should cancel/withdraw after the commencement of your course, no refund will be made - please consult the school for its refund policies. A cancellation insurance is available at 2% of the total amount (minimum 50 € / 40 GBP / 65 \$). The insurance fee must be settled at the time of registration and will only apply if you cancel prior to departure due to health reasons (a written confirmation from the relevant doctor is required as proof).

In the unlikely event the school won't be able to create a group course due to not having enough students at the same time/level, smaller group or One to One courses for a reduced amount of lessons will be provided instead (20 lessons = 12 lessons / 30 lessons = 18 lessons). Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded. The minimum number of participants is 4.

4. Visa: In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount should be paid together with an additional charge of 80 € / 65 GBP / 120 \$ or equivalent (in USA and Canada this amount is included in the registration fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non refundable charge of 80 € / 65 GBP / 120 \$ can only be made if the student provides the letter of refusal issued by the embassy at least 14 days before departure. After this date we will consider the participation of the student as confirmed and normal cancellation/rebooking fees will apply. In case the visa has not yet been issued 15 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged (evidence of visa refusal is required).

5. Acceptable forms of payment:

- By bank transfer: The relevant account number will be on the invoice.

Please send us a copy of the transfer order. All bank charges will be incurred by you.

- By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card company, card number, expiry date and signature.

An additional 2% credit card fee will be charged.

6. Insurance: Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend our personal travel insurance (incl. Health, Third-party, Accident and Baggage: 50 € / 40 GBP / 65 \$ per person per month).

7. Liability: Parents of minors agree that neither Sprachcaffe Languages PLUS nor the homestay shall be liable for damage or problems caused either negligently or intentionally by their children while participating in trips. Parents and their children who are still minors recognise and accept the laws and the normal code of conduct of the country which they are visiting.
